## **AMBULATORY SURGICAL BILLING**

FS Medical Billing has experience in billing claims for all of the specialties. FS Medical Billing handles billing for both technical and professional providers. Ambulatory surgical center billing involves billing claims for both in-network and out-of-network providers.

FS Medical Billing understands the payer guidelines for various states and has a proven track record in handling claims for out-of-network doctors in California and helping them obtain optimum revenue for services they had rendered. Our services also include handling appeals and patient calling.
